GURU PEYARCHI NAVAGRAHA SHANTI HOMAM

On Tuesday, 02nd June, 2026 at

Sri Sankara Gurukula Veda Patasala, Ponnala, Shamirpet, Hyderabad

Guru Bhagavan (Lord Jupiter) – After twelve years, is transiting to Karkataka Rasi where he is exalted. He is transiting through the 4th pada (quarter) of the Punarvasu star.

The Rashis that are going to receive maximum benefits from this
Guru Peyarchi (transit) are:

Mesham, Mithunam, Katakam, Kanya, Vrishchika, Makara, Meena

In particular Guru Bhagavan is going to bestow auspicious results to Vrishchika and Meena
Rashis natives, through his 5th aspect (drahti) on Vrishchika and his 9th aspect on Meena.

Due to his transit and presence in Katakam as Janma Guru, there might be changes in
residence/transfers and mental anxieties for some.

Rasis which definitely need to perform pariharam are Rishabam, Katakam, Simham, Tula and
Dhanus and Kumbham
